(a) & (b): Under the Centrally Sponsored Scheme for 'Upgradation of existing State Government/ Central Government medical colleges to increase MBBS seats in the country', three Medical Colleges namely RNT Medical College, Udaipur, (for increasing MBBS seats from 150 to 250), Govt. Medical College, Jhalawar (for increasing MBBS seats from 100 to 150) and JLN Hospital & Medical College, Ajmer (for increasing MBBS seats from 150 to 250) have been approved. Funds to the tune of Rs.24 crore each have been released to the State Government for the approved three Medical Colleges under the Scheme.

Proposal for increasing MBBS seats from 150 to 250 in Kota Medical College has been received in the Ministry and was considered in the meeting of Technical Evaluation Committee (TEC) held on 24.10.2017. However, the State Government was asked to re-submit the proposal to the Ministry clearly specifying the land area and existing structure. The revised proposal from the State has been received for approval of this Ministry. No proposal of RUHS College Jaipur has been received under the scheme for increase in MBBS seats.
