

GOVERNMENT OF INDIA  
MINISTRY OF CHEMICALS & FERTILIZERS  
DEPARTMENT OF FERTILIZERS

**LOK SABHA**

**UNSTARRED QUESTION NO. 2510+**  
**TO BE ANSWERED ON: 02.01.2018**

**Sindri Fertilizer Industry**

**2510+ SHRI PASHUPATI NATH SINGH:**  
**DR. RAVINDRA KUMAR RAY:**

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) whether the Government proposes to revive Sindri Fertilizer Industry that falls under Dhanbad district in Jharkhand and if so, the details thereof and its present status;
- (b) whether the Government has completed all the formalities to revive the above fertilizer industry; and
- (c) if so, the time by which the said fertilizer industry is likely to be started?

**ANSWER**

MINISTER OF STATE (INDEPENDENT CHARGE) FOR THE MINISTRY OF PLANING AND MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERILIZERS

**(RAO INDERJIT SINGH)**

---

(a) to (c) : Yes, Madam. The Cabinet had approved on 13.07.2016 to revive Sindri Fertilizer factory on 'nomination basis' by setting up a gas-based Ammonia-Urea Plant of 1.27 Million Metric ton per annum (MMTPA) capacity. Accordingly, a Joint Venture (JV) Company, namely, Hindustan Urvarak & Rasayan Limited (HURL) has been formed to take up revival of Sindri Unit. JV Company HURL is conducting pre-project activities. Commercial production from Sindri plant is likely to start by September, 2020.
