ANSWER

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a): Villages Bellatand and Kramtarri (Karmatand) are located on the either side of railway track between Koderma and Gujhandi stations. To facilitate safe movement of people to cross the road, on either side of track, parallel roads exist and are connected to each other near Gujhandi station through interlocked manned level crossing No. 35.

(b) to (d): As per extant policy, no new level crossings are being provided on existing lines, as level crossings are safety hazard for both rail and road users more so for road users.
