**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION  
TECHNOLOGY  
(SHRI ALPHONS KANNANTHANAM)

(a) and (b): Ministry of Electronics and Information Technology (MeitY), Government of India had notified Electronics Manufacturing Clusters (EMC) scheme in October, 2012 to provide support for creation of state-of-art infrastructure along with common facilities and amenities for attracting investments in various verticals of Electronics Systems Design and Manufacturing (ESDM) sector including manufacturing of mobile and allied products. The scheme was open for receipt of application upto 21<sup>st</sup> October, 2017. Under EMC scheme, Ministry of Electronics & Information Technology has accorded final approval to eighteen (18) Greenfield EMCs in twelve (12) states across the country.

(c) and (d): Yes, Sir. So far, 100 electronics manufacturing units have booked land for setting up of their manufacturing facilities within these approved Electronics Manufacturing Clusters. Out of which, 10 manufacturing units have started production activities with an investment of Rs. 3660 crore employing around 7400 persons.
