

GOVERNMENT OF INDIA  
MINISTRY OF RURAL DEVELOPMENT  
DEPARTMENT OF RURAL DEVELOPMENT

**LOK SABHA**  
**UNSTARRED QUESTION NO. 2919**  
TO BE ANSWERED ON 04.01.2018

**APPRAISAL OF PMGSY**

**2919. SHRI BIDYUT BARAN MAHATO:**  
**SHRI GAJANAN KIRTIKAR:**  
**KUNWAR HARIBANSH SINGH:**  
**SHRI KANWAR SINGH TANWAR:**  
**SHRI SUDHEER GUPTA:**  
**SHRI NISHIKANT DUBEY:**  
**SHRI T. RADHAKRISHNAN:**  
**SHRI RAJESH PANDEY:**

Will the Minister of **RURAL DEVELOPMENT** be pleased to state:

- (a) whether the Government has reviewed the progress of Pradhan Mantri Gram Sadak Yojana (PMGSY) recently and if so, the details and the outcome thereof;
- (b) the criteria fixed by the Government to connect rural habitations under PMGSY-I and PMGSY-II, separately;
- (c) the number of habitations or villages which have been connected under PMGSY, till date and the number of them still to be connected, State-wise;
- (d) the details of projects completed and those that are ongoing/ pending to be completed, State/ UT-wise;
- (e) the details of funds allocated, sanctioned, released and spent under PMGSY during the last three years and the current year, State-wise including Uttar Pradesh;
- (f) the manner in which the Government monitors the transparency in utilization of funds under PMGSY; and
- (g) the steps taken/ being taken by the Government to speed up the construction of rural roads and to achieve all weather road connectivity in time bound manner and for maintenance of the roads constructed under the scheme?

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT**  
**(SHRI RAM KRIPAL YADAV)**

(a): The progress of Pradhan Mantri Gram Sadak Yojana (PMGSY) was recently reviewed by Hon'ble Minister of Rural Development on 15<sup>th</sup> December, 2017. Further, the set targets, progress of the implementation of the Scheme and status of various parameters of the PMGSY Scheme in various States is regularly reviewed during Empowered Committee meetings, Performance Review Committee meetings and Regional Review meetings of various States.

(b): The Primary objective of PMGSY-I is to provide single connectivity by way of an All-Weather road (with necessary culverts and cross-drainage structures, which is operable

throughout the year), to the eligible unconnected habitations as per Core-Network with a population of 500 persons (as per 2001 Census) and above in plain areas. In respect of 'Special Category States' (North-East, Sikkim, Himachal Pradesh, Jammu & Kashmir and Uttarakhand), the Desert areas, the Tribal (Schedule V) areas and 88 Selected Tribal and Backward districts as identified by the Ministry of Home Affairs/Planning Commission, the objective is to connect eligible unconnected habitations as per Core-Network with a population of 250 persons and above (Census 2001). In critical LWE affected blocks (as identified by MHA), additional relaxation has been given to connect habitations with population 100 persons also.

PMGSY-II envisages consolidation of the existing Rural Road Network to improve its overall efficiency as a provider of transportation services for people, goods and services. It aims to cover upgradation of existing selected rural roads based on their economic potential and their role in facilitating the growth of rural market centres and rural hubs. Roads already constructed/upgraded under PMGSY-I also become eligible for PMGSY-II on completion of their design life i.e. Ten years and on the basis of requirement to accommodate enhanced traffic, if it has gone beyond the projected traffic and such traffic cannot be accommodated in the existing carriageway width, with the required level of service. Under PMGSY-II, all States become eligible to Participate in PMGSY- II once they substantially award PMGSY-I works.

(c): State-wise details of eligible unconnected habitations, cleared, connected and yet to be connected under PMGSY (upto November, 2017) are at **Annexure-I**.

(d): State-wise/UT-wise details of projects completed/ongoing/pending under PMGSY upto Nov. 2017 are at **Annexure-II**.

(e): State-wise and year-wise details of funds allocated, released and spent, including Uttar Pradesh under PMGSY are at **Annexure-III**.

(f): In order to effectively monitor and bring transparency in utilisation of funds under PMGSY, a modern web based on-line Management, Monitoring and Accounting System (OMMAS) is in place. This can be accessed at [ommas.nic.in](http://ommas.nic.in). Statement of utilisation of funds is available on OMMAS. The entire database has been placed in the Citizens' domain.

(g): For accelerated execution of PMGSY in the States, the Ministry of Rural Development in consultation with the Ministry of Finance and the State Governments, has formulated an Action Plan to complete the connectivity mandate of the balance eligible habitations under PMGSY-I by March, 2019, much before the earlier set target date of 2022. All State governments have formulated action plan to complete all sanctioned PMGSY road works within the stipulated time frame, by preparing month-wise, Project Implementation Unit (PIU) wise completion targets of road works. From time to time, State Governments are advised through various Regional Review meetings & Empowered Committee meetings to take suitable necessary action to expedite timely completion of road works under PMGSY. The following additional steps have been taken by the Ministry to ensure effective and timely implementation of PMGSY:

- (i) Additional Programme Implementation Units (PIUs) set up for augmenting the execution capacity of the State.
- (ii) Provisions in the Standard Bidding Document (SBD) rationalized.
- (iii) Training to field engineers, contractors and their staff, imparted regularly for capacity building.
- (iv) Regular outreach programmes for contractors, organized at State level.

All Pradhan Mantri Gram SadakYojana (PMGSY) roads are covered by a 5-year maintenance contract, entered into along with the construction contract, with the same contractor, in accordance with the Standard Bidding Document (SBD) prescribed under PMGSY by the Ministry of Rural Development. Maintenance funds to service the contract are budgeted by the State Governments. On expiry of 5-year post-construction maintenance, the State Governments are required to make necessary budget provision to place such roads under zonal maintenance contracts.

National Rural Roads Development Agency (NRRDA) and the Ministry of Rural Development have extended support to the States in the maintenance management of rural roads. Accordingly, a Model Policy Framework for Maintenance of Rural Roads along with a Guidance Note for the States has been finalized in close consultation with the States. Based on these documents, the States are required to formulate and implement State Rural Road Maintenance Policies to suit State specific needs. So far, 22 States (Andhra Pradesh, Assam, Bihar, Chhattisgarh, Haryana, Himachal Pradesh, Jharkhand, Karnataka, kerala, Madhya Pradesh, Manipur, Mizoram, Meghalaya, Nagaland, Odisha, Punjab, Rajasthan, Sikkim, Tamil Nadu, Uttar Pradesh, Uttarakhand and West Bengal) have notified their State Rural Road Maintenance Policies.
