ANSWER

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION & PARLIAMENTARY AFFAIRS

(SHRI ARJUN RAM MEGHWAL)

(a) to (c) The National Perspective Plan (NPP) was prepared by the then Ministry of Irrigation, now Ministry of Water Resources, River Development & Ganga Rejuvenation (MoWR, RD & GR) in August 1980 for water resources development through inter basin transfer of water, for transferring water from water surplus basins to water-deficit basins. Under the NPP, the National Water Development Agency (NWDA) has identified 30 links (16 under Peninsular Component & 14 under Himalayan Component) for preparation of Feasibility Reports (FRs). The Pre-Feasibility Report (PFR) of the all 30 links have been prepared and circulated to the concerned State Governments by the NWDA. After survey and investigations, Feasibility Reports of 14 links under Peninsular Component and Feasibility Reports of 2 links and draft Feasibility Reports of 7 links (Indian portion) under Himalayan Component have been completed. Present status, States concerned and States benefited of Inter Basin Water Transfer Links are given in **Annexure**.

Four priority links under Peninsular Rivers Component have been identified for preparation of Detailed Project Reports (DPR) viz; Ken-Betwa link project (KBLP) Phase -I & II, Damanganga-Pinjal link project, Par-Tapi-Narmada link project and Mahanadi-Godavari link project. The preparation of DPR of a project is taken up only after consent of concerned State Governments. Based on the concurrence of the concerned States, DPRs of KBLP Phase-I & Phase-II, Damanganga-Pinjal link project and Par-Tapi-Narmada link project have been completed.

Ken-Betwa link project

In respect of KBLP Phase-I, all the statutory clearances (Environment, Wildlife, Forest and Tribal, etc.) except clearance from Central Empowered Committee (CEC) of the Supreme Court have been accorded. Also DPR of KBLP Phase-II has been revised based on the suggestions of Madhya Pradesh State. The Minister for Water Resources, River Development and Ganga Rejuvenation convened a meeting with Chief Ministers of UP and MP on 25.09.2017. Both the Chief Ministers agreed for implementation of the project. Draft Memorandum of Understanding for implementation of the Ken- Betwa link project has been sent to the concerned States of UP and MP for concurrence.

Damanganga-Pinjal link project and Par-Tapi-Narmada link project

The Government of Maharashtra and Gujarat have agreed to implement Damanganga- Pinjal link project and Par-Tapi-Narmada link project benefitting Maharashtra and Gujarat for which DPRs have been completed. Techno-economic appraisal for Damanganga-Pinjal link project has been accorded by MoWR, RD & GR subject to statutory clearances. The DPR of Par-Tapi-Narmada has been modified in May, 2017 duly considering the suggestions of Government of Gujarat for including more tribal areas of Gujarat in the command of the project and it has been submitted for technical appraisal in Central Water Commission. Terms of Reference for Environmental Impact Assessment studies with modified scope of this link project has been approved by Ministry of Environment, Forest and Climate Change and studies have been entrusted to WAPCOS Limited. Draft Memorandum of Understandings for implementation of these link projects have been sent to Government of Maharashtra & Gujarat for concurrence.
