Notes: In the Agriculture and Natural Resources sector in India, all ongoing projects under ADB financing are primarily supporting irrigation, flood control and water resources management projects. However, under Loan 3265- Orissa Integrated Irrigated Agriculture and Water Management Investment Program, the expected outcome of the investment in modernization and management of irrigation system and associated infrastructure, is to increase productivity of agriculture in the Mahanadi delta, Brahmani and Baitrani river basins in Odisha.

36. National Centre for cold Chain Development (NCCD), Department of Agriculture, Cooperation & Farmers Welfare under MoU with, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is implementing TA Project on Green Innovation Centers for the Agriculture and Food Sector (GIC project) as part of “Arrangement by way of the Agreement between the Government of the Federal Republic of Germany and the Government of India(DEA) on Technical Cooperation (signed on 22nd June, 2015)” in the State of Maharashtra and Karnataka. Further, in accordance with the agreement dated June 22, 2015, Government of Federal Republic of Germany shall provide GIZ with up to EUR 8,000,000 for the German Contribution.
