**STATEMENT REFERRED TO IN REPLY TO LOK SABHA
STARRED QUESTION NO. 401* FOR 23RD MARCH, 2018**

(a) Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) aims at correcting the imbalances in the availability of affordable healthcare facilities in different parts of the country in general, and augmenting facilities for quality medical education in the under-served States in particular. PMSSY, a Central Sector Scheme, has two components –

- (i) Setting up of AIIMS-like institutions; and
- (ii) Up-gradation of existing State Government Medical College/Institutions

A list of AIIMS and Government Medical Colleges, being upgraded, is annexed.

(b) AIIMS at Raebareli was sanctioned under Phase II of PMSSY in 2009. However, only 97 acres out of agreed 148 acres of land was handed by the State Government in July, 2013. Due to delay in handing over of land, the project could not be started as per targeted timeline. However, the construction of Housing and temporary OPD at AIIMS, Raebareli, has been almost completed. OPD is expected to be functional by July, 2018. Tender for construction of Hospital and Medical College is under evaluation. A total amount of Rs. 204.52 cr, out of sanctioned Rs. 823 cr, has been released for setting up of AIIMS at Raebareli. No new AIIMS was sanctioned in Phase III of PMSSY.

(c) Cabinet has approved setting up of AIIMS at Mangalagiri in Andhra Pradesh under Phase-IV of PMSSY with a total cost of Rs. 1618 crore on 7th October, 2015. Rs. 104.51 crore has been released to the Executing Agency so far.
