ANSWER

Minister of CIVIL AVIATION

नागर विमानन मंत्री

(Shri Ashok Gajapathi Raju Pusapati)

(a) to (e): A Statement is laid on the table of the House.

STATEMENT IN RESPECT OF LOK SABHA STARRED QUESTION NO. 90, REGARDING "UDAN" TO BE ANSWERED ON 08.02.2018

(a) & (b): A list of airports and routes awarded under Regional Connectivity Scheme (RCS)-UDAN along-with the status of their operationalization is annexed at Annexure-1 & 2.

(c): Regional air connectivity is envisioned under RCS by supporting airline operators through (1) concession by Central Government, State Governments / UTs and airport operators to reduce the cost of operations on regional routes and (2) Financial (Viability Gap Funding (VGF)) support to meet the gap if any between the cost of airline operations and expected revenues on such routes. VGF will be shared between Ministry of Civil Aviation and the State Government in the ratio of 80:20 whereas for the States in North-Eastern region / Union Territories (UTs) the ratio will be 90:10. The Government has imposed a levy of Rs 5000/- per departure on scheduled flights being operated within India on certain routes to fund the RCS-UDAN.

(d): All scheduled airline operators on which levy is applicable have agreed to pay RCS levy and remittance has begun.

(e): The primary objective of RCS is to provide connectivity to unserved and under-served airports of the country by making it affordable. RCS-UDAN is a demand-driven scheme, where interested airline operators bid, after undertaking necessary due diligence. In 1st & 2nd round of bidding under RCS-UDAN the Selected Airline Operators have commenced / likely to commence RCS flights from all four Metro cities (Delhi, Kolkata, Mumbai & Chennai) as indicated in Annexure -1 & 2. However, there are slot constraints now for RCS flights at Delhi and Mumbai airports.
