- (b) if so, the number of families displaced by the above mentioned projects so far;
- (c) the number out of aforesaid families not rehabilitated so far and the reasons for the same; and
- (d) the steps taken by the Government to rehabilitate the deprived families as per the rules so far and the success achieved as a result thereof?

ANSWER

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION & PARLIAMENTARY AFFAIRS

(SHRI ARJUN RAM MEGHWAL)

(a) to (d) As per information provided by the State Government, 21356 families have been displaced due to Subarnarekha project.

The details of rehabilitation benefits under different schemes of existing Rehabilitation Policy provided to Displaced Families of Subarnarekha Project are as follows:

Persons provided job	Families provided self employment grant	Families provided House building grant	Families provided Life Maint. Grant	Families provided shifting grant	Families provided Land	Families provided cash in lieu of land.
1687	10545	11582	10116	8846	1460	11466

Further, State Government has informed that Gitalsaud scheme is not an irrigation project and was constructed for power generation and drinking water supply. As per records of District Administration, Displaced Families of Gitalsaud Reservoir Scheme were rehabilitated in Chakla Village, Block-Ormanjhi and payment of compensation to almost all affected families against acquired land was paid.
