GOVERNMENT AND PRIVATE MEDICAL COLLEGES

1186. SHRIMATI JAYSHREEBEN PATEL:

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the number of Government and private medical colleges in the country, State/UT-wise;
- (b) whether there is shortage of professors/faculty members in various medical colleges and if so, the details thereof, State/UT-wise along with the corrective measures taken by the Government in this regard;
- (c) the number of new AIIMS opened in the country during the last three years; and
- (d) the number of pending proposals for new medical colleges, State/ UT-wise?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI ASHWINI KUMAR CHOUBEY)**

- (a): Details are given in Annexure-I
- (b): The Government does not centrally maintain data of professors/faculty members in medical colleges.

Permission for starting of a medical college/yearly renewal permission/recognition of degree is granted by the Central Government on the recommendation made by the Medical Council of India (MCI) after assessment of facilities available as per regulations prescribing minimum requirements in terms of infrastructure ,faculty and clinical material. The medical colleges which fail to meet the required standards are not given permission/renewal permission/recognition.

However, to augment availability of qualified faculty, the Central Government/MCI have taken various steps which include revising teacher-students ratio, increasing of age limit for appointment/extension/re-appointment against the posts of teacher/Dean/Principal/Director in Medical Colleges, granting equated teaching designations to specialist Doctors and recognizing DNB as well as foreign qualifications for appointment to various faculty posts in Medical Colleges

- (c): No new AIIMS is opened in the country during last three years.
- (d): Details are given in Annexure-II.
