

-2-

(d): The Pradhan Mantri Fasal Bima Yojana (PMFBY) is demand driven and therefore, optional for States. It is the States which decide on what areas and how many crops are to be notified under the scheme. As such the coverage of farmers is dependent primarily on the initiatives of the States. That notwithstanding, with the launch of PMFBY in April, 2016 the target is to cover 50% of the Gross Cropped Area by 2018-19 and the focus is to ensure more coverage of non-loanee farmers through banks, Common Service Centers (CSCs), insurance intermediaries and directly online on crop insurance portal and to encourage States to notify more crops and areas.

State-wise details of loanee and non-loanee farmers who availed Crop Insurance during last 3 years
