MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

(a) to (c) : Implementation and monitoring of Pradhan Mantri Awaas Yojana-Gramin (PMAY-G) is done through an end to end E-Governance model. For this, a web based transactional electronic service platform ‘AwaasSoft’ has been developed by Ministry of Rural Development in collaboration with NIC to facilitate e-G-governance in PMAY-G. The portal is currently hosted at www.pmayg.nic.in.

(d) : The key features of . ‘AwaasSoft’ include target setting, beneficiary detail management, house sanction, fund flow management and capturing progress of construction of houses.

As reported by the States on AwaasSoft, the detail of houses constructed under PMAY-G in the villages of Hooghly, Ambedkar Nagar and Purnea districts as on 05.03.2018 is as under:

- (i) Hooghly (West Bengal) – 20,552
- (ii) Ambedkar Nagar (Uttar Pradesh) – 2,997
- (iii) Purnia (Bihar) – 33
