**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT  
(SHRI UPENDRA KUSHWAHA)**

- (a) to (d) Unified District Information System for Education (U-DISE) managed by NIEPA, is the major source of data on all the parameters of education covering all its pillars viz., School, Teacher and Student. As an integral part of the U-DISE, the department of School Education & Literacy has initiated SD MIS in 2016-17 to collect child-wise data with Aadhar ID. Every student is provided a Unique Student ID generated through the system which would lead to the creation of a National level student-wise database giving full details of all students in all Government, Aided and Private schools from standard I to standard XII. This would also help to track all the students throughout the school-cycle.
