ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE

MINISTRY OF HOUSING AND URBAN AFFAIRS

(SHRI HARDEEP SINGH PURI)

- (a) & (b): Under the Smart Cities Mission, 30 more cities have been selected in June 2017 in Round 3. The list of these cities is enclosed at Annexure-I.

The Central Government provides financial support of Rs. 500 crores to each selected Smart City under Smart Cities Mission. An equal amount, on a matching basis, has to be provided by the State/Urban Local Body (ULB).

(c): The target date of completion is given by the cities in their Smart City Proposals (SCPs), which are available on the Mission's website (www.smartcities.gov.in).

(d): Atal Mission for Rejuvenation and Urban Transformation (AMRUT) was launched on 25th June 2015 with focus of water supply, sewerage and septage management, storm water drainage, parks and green space and non motorized urban transport in 500 Mission cities. Under the Mission, the Government only approves State Annual Action Plans (SAAPs) and releases central assistance as per the Mission guidelines. Total allocation for Tamil Nadu under AMRUT Mission is Rs. 11,194.78 crores, which includes a Central Assistance of Rs. 4,756.58 crores. The Government has so far released central assistance of Rs. 994.34 crores to the State of Tamil Nadu and the State Government has submitted Utilisation Certificates for Rs. 282.48 crores against its releases.

In terms of Smart Cities Mission Statement and Guidelines, the Central Government provides financial support of Rs. 500 crores to each selected Smart City including Smart Cities from Tamil Nadu. An equal amount, on a matching basis, has to be provided by the State/Urban Local Body (ULB). So far, Ministry of Housing

and Urban Affairs has released Rs. 848 crores to State Government of Tamil Nadu for Smart Cities.

Utilization of the fund depends on the date of the selection of the Smart City. After selection it takes around 15-18 months to call for tenders. As reported by cities, 100 projects worth Rs. 8,289.60 crores have been identified for implementation. Out of which, 22 projects worth Rs. 1,005.80 crores have been completed or under implementation; tendering has started for 15 projects worth Rs. 348.70 crores.
