- (c) the steps taken by Government to build a framework suited to the various skill needs and requirements of tribal people?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF TRIBAL AFFAIRS
(SHRI JASWANTSINH BHABHOR)

(a) to (c): There is no plan of Ministry of Tribal Affairs to setup multi-skilling institutes meant only for tribal concentrated districts. However, Ministry of Skill Development and Enterprise has planned to set up 1500 Pradhan Mantri-Multi-Skilled Industrial Training Institutes in unserved blocks/underserved areas with active participation of Industry/Private partners. The proposed institutes are planned in unserved blocks/underserved areas across country including tribal concentrated areas. The scheme has been formulated in consultation with all ministries including the Ministry of Tribal Affairs and is under the process of Government approval in Ministry of Skill Development and Enterprise.
