MINISTER OF STATE IN THE MINISTRY OF SHIPPING

As regards development of NW-5, preparation of DPR including Front End Engineering Design (FEED) for construction of weirs/barrages with navigational locks and check dams between Pankapal and Paradip/Dhamra (Phase-1) has been sanctioned.

Out of these 36 NWs, development activities have been initiated on 8 NWs in 2017-18 as per **Annex-1**, and the status of Detailed Project Reports (DPRs) of 28 NWs is at **Annex-2**. (b)&(c): Proposals for setting up of Inland Container Depots (ICDs) which are considered as Dry Ports, Container Freight Stations (CFSs) and Air Freight Stations (AFSs) are received from Central and State Government Public Sector Undertakings and Private developers from time to time. An Inter-Ministerial Committee (IMC) is functioning under the aegis of Department of Commerce since 1992 for giving single window clearances to these agencies for setting up of ICDs / CFSs / AFSs in India.
