ANSWER

MINISTER OF STATE IN THE MINISTRY OF TRIBAL AFFAIRS
(SHRI JASWANTSINH BHABHOR)

(a) & (b): Assessment of the living condition of Scheduled Tribes (STs) across the country is made through decennial Census conducted by Office of Registrar General of India, large scale sample surveys conducted by National Sample Survey Office (NSSO), Ministry of Statistics & Programme Implementation, various surveys conducted by Ministry of Health & Family Welfare, Agricultural Census conducted by Ministry of Agriculture & Farmers Welfare, etc. State / UT wise data pertaining to STs based on Census and different surveys are at **Annexures I to XI**.

(c) & (d): The following steps are being taken by the Ministry while reviewing the schemes for welfare of STs:

- Mechanism of Project Appraisal Committee (PAC) has been introduced by the Ministry in 2014 for appraisal and approval of projects of State Governments under Special Central Assistance to Tribal Sub-Scheme (SCA to TSS), Grants under Article 275(1) of the Constitution and Scheme for Development of Particularly Vulnerable Tribal Groups (PVTGs). The Committee is headed by Secretary (Tribal Affairs) with representatives of State Governments, Financial Advisor, representative from NITI Aayog, etc. Through the process of PAC, detailed discussions are made with the State Government representatives of tribal development departments at the time of appraisal and approval of the proposals received from the States for delivery of goods and services to the tribals.
- Further, Allocation of Business rules (ABR) has now been amended in January, 2017 whereby Ministry of Tribal Affairs (MoTA) has been given mandate for monitoring of ‘Scheduled Tribe Component’ funds of central Ministries based on the framework and mechanism designed by NITI Aayog.

- An online monitoring system has been put in place with web address stcmis.nic.in. The framework envisages monitoring of allocations for welfare of STs under the schemes, monitoring of expenditure vis-a-vis allocations, monitoring of physical performance and outcome monitoring for the effective implementation of the schemes.
- Utilization Certificates are insisted upon as a pre-requisite for further release of funds as per the norms of GFR.
- Progress reports regarding the status of implementation of schemes are obtained.
- Officers while visiting States also ascertain the progress of implementation of various schemes/ programmes of the Ministry of Tribal Affairs.
- Meetings / Conferences are convened at the Central level with State officials for ensuring timely submission of proposals, speeding up of implementation of the schemes/ programmes, and reviewing the physical and financial progress.

Annexures I to XI referred to in reply to part (a) & (b) of the Lok Sabha Unstarred Question No. 326 for 05.02.2018

Legend: ST=Scheduled Tribes

- NB: 1. The poverty ratios among the STs are estimated from the percentage distribution of persons of ST population as obtained from the large sample survey consumer expenditure data of the National Sample Survey (NSS) and the poverty line for all population.
2. The poverty ratios are based on MRP (Mixed Recall Period) consumption distribution.
3. All India poverty ratio for the social groups is worked out from the respective NSS distribution of persons and (implicit) all-India poverty line for all population.
4. The poverty ratio among Scheduled Tribes population at State level may be treated with caution due to small sample size of household based on which the class distribution of persons have been obtained. These States are in urban areas, number of sample households is 18 in Bihar, 18 in Himachal Pradesh and 9 in Kerala
