ANSWER

Minister of State in the Ministry of CIVIL AVIATION
नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Jayant Sinha)

(a) & (b): Government of India (GoI), Ministry of Civil Aviation (MoCA) has granted 'in principle' approval for setting up of 19 Greenfield Airports across the country namely Mopa in Goa, Navi Mumbai, Shirdi and Sindhudurg in Maharashtra, Bijapur, Gulbarga, Hasan and Shimoga in Karnataka, Kannur in Kerala, Durgapur in West Bengal, Dabra in Madhya Pradesh, Pakyong in Sikkim,

Karaikal in Pudducherry, Kushinagar in Uttar Pradesh, Dholera in Gujarat, Dagadarthi Mendal, Nellore Dist., Bhogapuram in Vizianagaram District near Visakhapatnam and Oravakallu in Kurnool District, Andhra Pradesh and Hirasar, District Rajkot, Gujarat. Expansion of airports is a continuous process which is undertaken by Airports Authority of India (AAI) from time to time depending upon traffic demand, availability of land and resources, grant of environmental clearance, NOC from various regulatory authorities etc. The details of funds airport wise is at Annexure I.

(c) & (d): GoI, MoCA has granted 'site clearance' approval to Government of Uttar Pradesh (GoUP) for setting up of Noida International Greenfield Airport near Jewar, Uttar Pradesh on 6th July, 2017. However, any new Greenfield Airport requires two stage clearances i.e. 'Site Clearance' and 'in-principle' approval. In case of proposed airport at Jewar, the site clearance has been granted and further development would depend on preparation of Detailed Project Report (DPR), its economic viability and financial closure subject to the 'in-principle' approval.

(e): No such proposal as per Greenfield airport policy are pending for setting up of Greenfield airports at these cities.

(f): As per RCS-UDAN, in case of an airline operator willing to operate RCS flight from a defence airport, approval from the Ministry of Defence will need to be obtained for permitting joint use/civil operations, under the scheme.
