ANSWER

MINISTER OF STATE FOR CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION (SHRI C. R. CHAUDHARY)

(a): Allocation of foodgrain for drought affected areas is made by Department of Food & Public Distribution in terms of its scheme for allocation of foodgrain for Festivals, Natural Calamities, and Law & Order Situation. The allocation is made at MSP/MSP derived rates in case of wheat/rice respectively. Allocation for initial three months of the natural calamity is made on the request of State/UT so that the relief measures are not affected, subject to the condition that in case of drought, it has been duly notified by the affected State/UT. Any allocation beyond three months is made subject to the recommendations of Ministry of Agriculture & Farmers' Welfare in case of drought and Ministry of Home Affairs in case of natural calamities other than drought and Law & Order situation. Responsibility for distribution of foodgrains lies with the concerned State/UT.

(b) to (d): Madhya Pradesh submitted a proposal for additional allocation of 48643 tons of foodgrains per month for 10 months (upto October, 2018) for drought affected districts, in December 2017. Since the proposal of the State Govt. was not in tune with the existing policy, certain clarifications were sought from the State Govt. which are awaited till date. The proposal of the State State Government will be dealt with on receipt of the clarifications as per extant norms.
