

**Government of India**  
**Ministry of Drinking Water and Sanitation**  
LOK SABHA  
UNSTARRED QUESTION NO.4411  
TO BE ANSWERED ON 22-03-2018

**Water Facility in Toilets**

†4411. **SHRI KIRTI AZAD:**

Will the Minister of **DRINKING WATER AND SANITATION** be pleased to state:

- (a) the percentage and number of rural households in the country which do not have water facility in toilets, State/UT-wise including Bihar;
- (b) the details of the toilets constructed in the country during each of the last three years and the current year, State/UT-wise;
- (c) the financial assistance provided to hilly States of the country including the remote areas for construction of these toilets during the said period, State/UT-wise;
- (d) the steps taken to provide toilet facilities to the entire population of the country; and
- (e) whether the Government has launched any awareness programme to encourage the people of rural areas to use toilets and if so, the details thereof?

**ANSWER**

**MINISTER OF STATE FOR MINISTRY OF DRINKING WATER & SANITATION**  
**(SHRI RAMESH CHANDAPPA JIGAJINAGI)**

(a) State/UT-wise, percentage of rural households not having access to water in toilets is at **Annexure-1.**

(b) The State/UT-wise number of Individual household latrines (IHHLs) constructed under Swachh Bharat Mission (Gramin) [SBM(G)] during the last three years and current year is at **Annexure-2.**

(c) State/UT-wise Central share released under SBM(G) during the last three years and current year is at **Annexure-3.**

(d) The SBM(G) was launched on 2nd October, 2014 with the aim at attaining Swachh Bharat by 2<sup>nd</sup> October 2019. The following steps have been/are being taken to achieve the target under SBM(G):-

- Focus is being given on community based collective behavior change by massive campaigning at the national and States level.
- Focus is also on creation of complete ODF villages, rather than only on construction of individual toilets.
- Given the vast socio-economic-cultural diversity of India, and also from the point of view of promoting innovations, the programme provides flexibility to the States to choose the strategy best suited to them in its implementation.
- Greater emphasis is being given on capacity building, especially in community approaches and programme management, by imparting training to the States and selected organizations called Key Resource Centres (KRCs), involving District Collectors to provide leadership to the programme at the district level.
- The programme is being run as a *janandolan* with cooperation of all sections of the society including the NGOs, corporates, youth etc. The Panchayats are being actively involved.
- Zila Swachhata Preraksha have been engaged for support of districts.

(e) Under SBM(G), upto 5% of the programme funds is to be spent on Information, Education and Communication (IEC) and capacity building at the State and District level, and upto 3% is to be spent at the Central level. Massive media campaigns have been started at national level using Audio Visual (TV) and Audio (Radio) aids. States are also carrying out IEC campaign including interpersonal Communication (IPC). Cleanliness drives and awareness campaigns are also held at regular intervals. Besides conventional IEC tools, social media is also being used for spreading the mass awareness. A Facebook page for SBM(G) has been created and twitter handles are also active. Media celebrities have been roped in as brand ambassadors.

**Annexure-1.**
