ANSWER

**MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI ANANTKUMAR HEGDE)**

(a) to (d) The Government is implementing various schemes for imparting employable skills to the youth through short term and long term training. Long term skilling is being imparted through Industrial Training Institutes (ITIs). There are 13,912 ITIs in the country. For short term, Pradhan Mantri Kaushal Vikas Yojana (2016 - 2020) is the flagship outcome-based skill training scheme of the Ministry. The objective of this Scheme is to encourage and promote Skill Development for the youth throughout the country. The Scheme targets to skill 10 million youth by end of 2020 and as of now around 20 lakh candidates have been trained.

No changes have been made in the PMKVY guideline for Training Partners registration. However, it has been decided that all franchisee centres will be mandated to convert into Training Provider (TP) owned centres and no PMKVY targets will be allocated to any franchisees. Existing operational franchise centres had been given an option through functionality on SMART portal for converting to a TP owned centre for continued participation under the scheme.
