ANSWER

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI GAJENDRA SINGH SHEKHAWAT)

(a) & (b): Manual yield data collection and manual transmission to insurance companies impedes timely and accurate yield data, which in turn used to lead to delay in claim processing and settlement under erstwhile schemes. Keeping this in view under PMFBY, realtime collection and transmission of yield data through Smartphone/CCE Agri App was initiated and has been made mandatory from Kharif 2017 season. Further, specific timelines have been provided for various activities including processing and settlement of claims under Pradhan Mantri Fasal Bima Yojana (PMFBY) and Restructured Weather Based Crop Insurance Scheme (RWBCIS).

(c): State-wise details of number of farmers covered and farmers to whom claims are paid (beneficiary farmers) during last five years under various crop insurance schemes are given in **Annexure-I**.

(d): Details of premium collected from farmers and premium subsidy provided by the Government under various crop insurance schemes during last five years are given in **Annexure-II**.

Note: Government is also provided contribution towards claims under National Agricultural Insurance Scheme (NAIS). However, upfront premium subsidy is provided under existing schemes of Pradhan Mantri Fasal Bima Yojana (PMFBY) and Restructured Weather Based Crop Insurance Scheme (RWBCIS) and payment of claims is the responsibility of insurance companies.
