According to the SCTIMST Act 1980 and regulations made there under, the Governing Body of the Institute is empowered to make regulations that form the basis of selection of its officers and employees to various posts and to decide their number, designation, grades and the manner of appointment. From its inception, the Institute has been following reservation norms fixed by the Government of India (GoI) for all its cadres, except in respect of the super specialty positions of the Institute that belongs to Group 'A' category. This was in consideration of the fact that Group 'A' Scientific and Technical positions in the Institute are engaged in research, development, design, production, testing in super specialty areas such as Biomedical Engineering and Technology, Medical Services Technology, Advanced Neurology and Cardiology Clinical and Research Facilities. In order to ensure enough representations for various reservation categories, the Institute had issued necessary orders to bring all Group 'A' entry level academic posts, viz., Scientist 'B' and Engineer 'B' posts under the purview of reservation policy of Govt. of India from 2018 onwards. Further, the Governing Body of the Institute in its meeting held on 3.3.2018 has also approved adoption of the recruitment policy of GoI for recruitment to temporary vacancies lasting for 45 days or more.
The recruitment to various posts during the current calendar year i.e 2018 is yet to be initiated. However, the details of recruitment conducted from the calendar year 01.01.2015 to 31.12.2017 are being compiled and will be laid in the table of the House.
