ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HANSRAJ GANGARAM AHIR)

(a) to (e):   Delhi Police has reported that the number of motor vehicles on

Delhi Roads are growing and as a result, problem of traffic congestion/ jam

on roads is faced in several parts of Delhi. As regard other metro cities, States and Urban Local Bodies are taking necessary initiatives including planning and execution of urban transport systems being the State subject in terms of Entry 13 of the State List of the Constitution of India.

In respect of UT of Delhi, ITMS (Intelligent Traffic Management System) is envisaged by Delhi Police to provide technology based traffic solutions and enforcement so as to improve mobility, discipline and safety on the roads of Delhi. Approval of Competent Authority for hiring of Consultant by Delhi Police for preparation of Detailed Project Report (DPR) of ITMS and for implementation support has been conveyed to Delhi Police.
