**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (c) OF
UNSTARRED QUESTION NO. 705 BY SHRI RAJESHBHAI
CHUDASAMA TO BE ANSWERED IN LOK SABHA ON 07.02.2018
REGARDING ROBS IN GUJARAT**

(a): Station-wise data of Road Over Bridges (ROBs) is not maintained. However, as per Pink Book 2017-18, work for construction of 118 Road Over Bridges (ROBs) have been sanctioned in the State of Gujarat.

(b) & (c) Out of 118 ROBs, 14 ROBs have been completed. As far as status of remaining ROBs works is concerned, Railway undertakes construction of ROBs in Railway Bridge portion whereas approaches are being constructed by State Government. Completion of ROB depends on various factors like removal of encroachment, land acquisition, availability of funds and other regional priorities. Apart from this, major portion of fund for Road Safety Works (ROBs/RUBs/Subways/Level Crossings) come from Central Road Funds (CRF) as a percentage of cess collected on Diesel and Petrol by Ministry of Finance. The progress of works is commensurate with the availability of funds. Railways shall make every effort to complete its portion of work alongwith that of approaches by State Government.
