ROBs IN KERALA

840. PROF. K.V. THOMAS:

Will the Minister of RAILWAYS be pleased to state the details of new ROBs that are going to be constructed in Kerala during the next five years?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)**

At present, there are 64 ongoing projects for construction of Road Over Bridges (ROBs) in the State of Kerala. So far as period of construction is concerned, Railways undertake construction of ROBs in Railway Bridge portion whereas approaches are being constructed by State Government. Completion of ROB depends on various factors like removal of encroachment, land acquisition, availability of funds and other regional priorities.
