ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE)
FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI GIRIRAJ SINGH)

(a) to (e): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (e) IN RESPECT OF THE LOK SABHA STARRED QUESTION NO *77 FOR ANSWER ON 23.07.2018

Micro, Small & Medium Enterprises are significantly present in all States/UTs and they are the second largest employer after agriculture in the country. These enterprises have supported inclusive growth and development across the country thereby reducing the regional imbalances.

The Ministry of MSME has launched many Schemes such as Credit Guarantee Fund Scheme, PMEGP (Prime Minister Employment Generation Programme), SFURTI (Scheme of Fund for Regeneration of Traditional Industries), CLCSS (Credit Linked Capital Subsidy Scheme), ASPIRE (Scheme for promotion of Innovation, Entrepreneurship and Agro- Industry), and Khadi and Village Industries Scheme for promotion of MSMEs in the entire country including Maharashtra. These Schemes have special components for SC, ST and North Eastern regions. The Pradhan Mantri Mudra Scheme implemented by Department of Financial Services, Ministry of Finance has also paved the way for a large number of micro enterprises to access credit. All these schemes have made significant contribution in creating widespread employment opportunities in the country, including the industrially backward areas of the country.

Recently, NITI Aayog has identified 117 most backward/naxalite affected districts as the Aspirational Districts. Four districts of Maharashtra i.e. Gadchiroli, Nandurbar, Osmanabad and Washim figure in the list. Ministry of MSME has decided to send teams of officials to these 117 districts not only to spread awareness about the existing Schemes of this Ministry but also to obtain proposals to set up and strengthen micro and small enterprises in these districts

The Schemes of the Ministry of MSME are central sector Schemes in which specific percentage of the budgetary allocation are earmarked for SC, ST and North Eastern Region's population. Most of these Schemes are demand driven and expenditure is made in the specific States as per the proposals received. There is no such allocation per se State/UT wise. The Funds allocated under the Schemes of PMEGP, CLCSS, Khadi and Village Grant, SFURTI, MSE-CDP, Tool Room/TCSP are furnished at Annex-I. The number of employment generated State-wise including in Maharashtra, under PMEGP is furnished at Annex-II. Under the Credit Guarantee Fund Scheme, loan guarantees are provided to MSEs which in turn result in employment generation. The employment generated under this Scheme Statewise, including in Maharashtra are furnished at Annex-III. The Ministry of MSME has 18 Tool Rooms which impart training which in turn help in generating employment.

The Ministry of MSME has taken the following steps for the development of MSMEs across the country:

- Decided to set up 15 new technology centres at various parts of the country,
- revamped SFURTI (Scheme of Fund for Regeneration of Traditional Industries)
- revamped PMEGP(Prime Minister Employment Generation Programme)
- increased the approved corpus of CGTMSE (Credit Guarantee Fund Trust for Micro and Small Enterprises) from Rs.2500 crore to Rs 7500 crore,
- increased the loan limit under Credit Guarantee Fund Scheme to Rs 2 crore,
- extended the Credit Guarantee Fund Scheme for loan by NBFCs,
- set up digital platforms to monitor the implementation of public procurement policy and to address the delayed payments problems faced by MSEs (Micro & Small Enterprises) etc.
