Mission was initially implemented in 790 cities. However, the States/UTs are allowed to implement all or any of its component in any other Statutory Town based on local capacity and requirement.

Employment Through Skill Training & Placement (EST&P) component of the Mission provides skill training to the urban poor to increase their income through structured and market-oriented certified courses that can provide wage employment and/or self-employment opportunities. Self-Employment Programme component focuses on financial assistance to individuals/groups/SHGs of urban poor for setting up gainful self-employment ventures or micro-enterprises.

A statement showing details of beneficiaries under EST&P and SEP component of DAY-NULM, during 2015-16 to 2017-18, State/UT-wise, component-wise is at Annexure.
