**MINISTER OF STATE IN THE MINISTRY OF  
SKILL DEVELOPMENT AND ENTREPRENEURSHIP  
(SHRI ANANTKUMAR HEGDE)**

(a) to (c) Presently, Ministry of Skill Development & Entrepreneurship (MSDE) has been implementing Pradhan Mantri Yuva Udyami Vikas Abhiyan (PM-YUVA). The scheme aims to create an enabling ecosystem for Entrepreneurship Development through entrepreneurship education and training across the country including rural areas in selected Institutes of Higher Learning (Universities, Colleges and Premier Institutes), schools, Industrial Training Centers (ITIs) and Entrepreneurship Development Centers (EDCs) for over a period of five years (2017-18 to 2021-22). Additionally, students will get easy access to a robust network of peers, mentors, incubators, funds and business services through an online platform. So far, 239 Institutes of Higher Learning including 3 in the State of Jammu & Kashmir have been empanelled to impart entrepreneurship education throughout the country and entrepreneurship courses have started in more than 200 Institutes of Higher Learning.

Further, Ministry of Rural Development is undertaking a Skill Development scheme through Rural Self Employment Training Institute (RSETI) under National Rural Livelihood Mission (NRLM). Under RSETI, the important steps taken by the RSETIs to promote entrepreneurship are as under:-

(i) RSETIs organize Entrepreneurship Awareness Programmes (EAPs) in their command area to create awareness amongst the rural youth to undergo training at RSETIs and make use of the free training offered by RSETIs to unemployed youth in various trades/activities so that they eventually become entrepreneurs.

(ii) RSETIs arrange for publicity through pamphlets, posters, banners, TV Scrolling in local cable TV network and local press to disseminate information about the training programmes, which can be made use of for their empowerment. RSETIs also involve SHGs, NGOs, voluntary agencies, sarpanchs, local public representatives, Banks in organizing EAPs.

(iii) Past trainees of RSETIs act as ambassadors in spreading the message of usefulness of RSETI training programmes. The ultimate aim of the above initiatives is to mobilise unemployed youth and organize useful training programmes to them in the identified activity/field, so that they become successful entrepreneurs.
