ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्यमंत्री (श्री सी.आर. चौधरी)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI C.R. CHAUDHARY)**

- (a)&(b) : Department of Industrial Policy & Promotion (DIPP) under Ministry of Commerce & Industry has sanctioned a project 'Tupundana Industrial Area, Ranchi' on 10.08.2015 in Ranchi district of Jharkhand under the 'Modified Industrial Infrastructure Upgradation Scheme (MIIUS)' with project cost of Rs.18.54 crore involving central grant of Rs.5.54 crore. So far, central grant of Rs.1.66 crore (1st installment) has been provided to the project on 22.09.2016 for implementation of the project. The project is being implemented by State Implementing Agency- Jharkhand Industrial Area Development Authority (JIADA). The project includes creation of new infrastructure as well as upgradation of existing infrastructure at Tupundana Industrial Area for the effective and efficient function of the Industrial area including increasing their potential for exports.
- (c)&(d): DIPP does not have a scheme to establish industries based on availability of raw material in a particular region or in any State in the country. However, the Department has supported development of common facilities in industrial clusters through 'Modified Industrial Infrastructure Upgradation Scheme (MIIUS)' which was valid till 31.03.2017. Development of Industries is a State subject and it is primarily the role of State Government & its agencies to create common facilities for benefit of industries based on raw material located in any particular region.
