(c) to (e) Ministry of Housing & Urban Affairs(MoHUA) approves the overall State plans and releases the central financial assistance under its flagship programmes- Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Smart Cities Mission(SCM), Pradhan Mantri Aawas Yojana-Urban(PMAY-U) Swachh Bharat Mission-Urban(SBM-U) and Deendayal Antyodaya Yojana-National Urban Livelihoods Mission(DAY-NULM).

State Plans under AMRUT were approved in three phases during 2015-2017. Selection of Smart Cities under SCM was done through competition in multiple five rounds during 2015-18. Under other Missions, plans submitted by States/Union Territories(UTs) are approved as per guidelines. The detailed projects under these programmes are conceived, appraised, approved and implemented by the States/UTs thereafter. The Missions (except for DAY-NULM) support urban infrastructure. DAY-NULM addresses livelihood concerns of urban poor and funds are released annually for its activities. Urban infrastructure projects generally require three years or more for execution and completion after selection of cities, approval of plans and setting up of implementation structures. Utilization of funds under the Missions accordingly depend on these aspects. Utilization certificate becomes due after one financial year from the financial year in which the Central Assistance (CA) was released.

The financial progress under these Missions/Schemes in Odisha is given in the Annexure.
