ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR YOUTH AFFAIRS AND SPORTS [COL. RAJYAVARDHAN RATHORE (RETD.)]

(a): Madam, the details of medals won by Indian athletes in multisports events including athletic events during last three years and current year is given in annexure-I.

- (b) & (c): 'Sports' being a State subject, primary responsibility for promotion and development of sports at the grassroot level by way of broad-basing of sports activities and creation of sports infrastructure and facilities is that of the State Governments and responsibility for promotion and development of specific sports disciplines is that of the concerned National Sports Federations (NSFs). The role of the Central Government is to supplement the efforts of the State Governments and NSFs and adequate support is given to the sportspersons including those of track events from the Scheme of Assistance to National Sports Federations, under which Government, inter-alia, provides assistance to the identified sportspersons/teams for intensive coaching through national coaching camps, foreign exposures / competitions, etc. In order to give focused attention for better performance of our athletes in international events including Olympic Games, Ministry of Youth Affairs & Sports formulated a programme namely, Target Olympic Podium (TOP) Scheme with the aim to identify, groom and prepare potential medal prospects with funding from National Sports Development Fund (NSDF) which is continuing. Under the TOP Scheme, financial support is provided for training, participation in competitions, purchase of equipment, availing of the services of support persons, etc. to athletes selected by the Committee constituted for the purpose. Besides, 'Out of Pocket Allowance' @ Rs.50,000/- per month is given to the selected Athletes for meeting contingent and miscellaneous expenses. Presently, 196 athletes including 31 track & field event athletes are covered under the TOP Scheme for funding from NSDF.
- (d) & (e): Madam, Government has made adequate allocation of funds to promote sports in the country. To encourage sports for all thus allowing the population across gender and all age groups to harness the power of sports through its cross-cutting influence, namely, holistic development of children & youth, community development, social integration, gender equality, healthy lifestyle, national pride and economic opportunities related to sports development, Government is implementing a Central Sector Scheme, namely, Khelo India National Programme for Development of Sports. This was revised and a revamped Khelo India Scheme is implemented from the year 2017-18. Rs.1756 crore is the estimated expenditure to be incurred under this scheme during the period from 2017-18 to 2019-20.
