#### ANSWER

# MINISTER OF STATE FOR LAW AND (SHRI P. P. CHAUDHARY) JUSTICE AND CORPORATE AFFAIRS

(a) & (b): The number of companies which have filed as well as which have not filed their financial statement during the last one year across the country, State/UT-wise including Maharashtra, Gujarat and West Bengal is annexed as Annexure-I.

(c) to (e): The term "Shell" company is not defined under the Companies Act, 2013. 'Shell' Companies, in common parlance, refer to those companies which are not necessarily illegal, but are very often used for illegal purposes such as tax evasion, money laundering, obscuring ownership, siphoning of funds, manipulation of stock prices through circular trading, holding of benami properties, misusing bank loans and falsification of financial statements, etc.

During 2017-18 the Registrars of Companies (ROCs) had identified 2.97 lakh companies which were not filing their Financial Statements or Annual Returns for a continuous period of two or more financial years and, prima facie, either were not conducting any business or were not in operation. Out of such identified companies, Registrars of Companies (ROCs) removed the names of 2,26,166 such companies from the register of companies by following the due process under Section 248 of the Companies Act, 2013. Further, the Central Government has ordered investigation into the true ownership of 68 number of companies under section 216 read with section 210(1) (c) of the Act, which have deposited and withdrawn fund in an exception manner from the bank accounts during demonetization period.

Further, during financial year 2018-19, a total of 2,25,910 companies have also been identified for action under Section 248 of the Act on the basis of non- filing of due returns for the financial Year 2015-16 & 2016-17. Due procedure shall be followed by ROCs before striking off names of companies.
