(a) and(b) Under the Centrally Sponsored Scheme of 'Development of Wildlife Habitats' and 'Project Tiger', there exist a provision of voluntary relocation of people residing inside Wildlife Sanctuaries/National Parks and Tiger Reserves. There are two options for voluntary relocation, namely:

Option I – Payment of the entire package amount (Rs.10 lakhs per family) to the family in case the family opts so, without involving any rehabilitation and relocation process by the Forest Department.

Option II – Carrying out relocation and rehabilitation of village from Protected Area and Tiger Reserve by the Forest Department.

During 2017-18, the following was released to the State Government of Madhya Pradesh for voluntary relocation:

- i. Rs.11455.457 lakh from CSS-Project Tiger
- ii. Rs.748.80 lakh from CSS- Development of Wildlife Habitats

No funds have been released during the current financial year to Madhya Pradesh for this purpose.

(c)and (d) Funds for the voluntary relocation of villages are provided based on the demand from the State Governments and subject to availability of funds.
