

GOVERNMENT OF INDIA
MINISTRY OF WOMEN AND CHILD DEVELOPMENT

LOK SABHA
UNSTARRED QUESTION No. 2906
TO BE ANSWERED ON 03.08.2018

DIGITISATION OF ANGANWADI CENTRES

2906: SHRI DUSHYANT SINGH:

Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

- (a) the details of the current mechanism being used by the Government to monitor Anganwadi centres in the country;
- (b) whether the Government proposes to digitize the mechanism of monitoring the Anganwadi Centres including attendance and services; and
- (c) if so, the details thereof and the steps taken by the Government in this regard?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT
(DR. VIRENDRA KUMAR)

- (a) to (c) The ICDS Scheme has an in-built monitoring system since its inception to track the physical progress of the scheme in respect of various input process, output and impact indicators through a standardized Management Information System (MIS), regular reports viz. monthly, quarterly, half-yearly, etc.

In order to strengthen the performance of ICDS, Government has introduced 5-tier monitoring and review mechanism at different levels (National/ State/ District/ Block and Anganwadi level) for review and monitoring of progress of implementation of Integrated Child Development Services (ICDS) Schemes has issued guidelines on 31.03.2011 for Constitution of Monitoring and Review Committees at different levels to review progress in implementation of the ICDS Scheme. Composition and key roles of such committees at different levels have been defined and with a view to strengthen and make ICDS more participatory, Panchayati Raj institutions and MPs and MLAs have been assigned representation on various committees at State, District and Block level Monitoring Committees. Rapid Reporting System has also been introduced for the ICDS Scheme for capturing on-line data.

Besides the in-built five-tier monitoring system, the newly set up POSHAN Abhiyaan has ICT-based real-time monitoring system through Common Application Software (CAS). To digitize and computerize the data generated at the AWCs, Smart Phones are provided to Lady Supervisors and Anganwadi Workers respectively.
