ICT IN GOVERNMENT OFFICES OF NORTH-EAST

3612. SHRI NINONG ERING:

Will the Minister of Electronics and Information Technology be pleased to state:

- (a) whether any steps have been taken for the establishment of Information and Communication Technology in the Government offices of North-Eastern States of India;
- (b) if so, the details of the progress made in the last three years, State-wise and if not, the reasons therefore; and
- (c) the incentivizing tools and directives issued to reduce the corruption in Government offices by use of IT and IT enabled services?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION
TECHNOLOGY
(SHRI S.S. AHLUWALIA)

(a): Yes, Sir. National Informatics Centre (NIC) has its State Centres at State level and District Centres at District level in North Eastern States. These state and district centres continuously guide and assist the Government offices in ICT applications.

(b): Details of some of the key ICT projects running in the North Eastern states since last three years are given at Annexure.

(c): The above mentioned ICT projects bring in transparency, effective service delivery, good governance and hence reduce corruption in Government offices.
