The Minister of State (Independent Charge) of the Ministry of Development of North Eastern Region [Dr. Jitendra Singh]

The scheme aims at development of certified organic production in a value chain mode to link growers with consumers and to support the development of entire value chain starting from inputs, seeds, certification and creation of facilities for collection, aggregation, processing, marketing and brand building initiative. The scheme was approved with an outlay of Rs.400 crore for three years.

The assistance is provided for cluster development, on/off farm input production, supply of seeds/planting materials, setting up of functional infrastructure, establishment of integrated processing unit, refrigerated transportation, pre-cooling/cold stores chamber, branding labelling and packaging, hiring of space, hand holdings, organic certification through third party, mobilization of farmers/processors etc.
