(a) & (b): Corporate Social Responsibility (CSR) activities are undertaken by Central Public Sector Enterprises (CPSEs) with special focus on safe drinking water, provision of toilets, health and sanitation, education, etc. The main focus of CSR and Sustainability policy of CPSEs are on sustainable development, inclusive growth, and to address the basic needs of the deprived under privileged, neglected and weaker sections of the society. There is no specific proposal at present, to include cotton farmers in Corporate Social Responsibility (CSR) activities.
