(a) to (e) No Madam, no such threat has been received after the recent agitation by AIMTC was called off on 27th July 2018. The agitation was started on 19th July 2018 by AIMTC demanding reconsideration of diesel prices, toll policies, increase in third party premium for transport vehicles and to resolve issues relating to e-way bill, presumptive income tax and national permit. After several rounds of discussion, the agitation was called off. Government has constituted a committee including the representatives of various ministries and AIMTC to make recommendations on the demands of transporters.
