CSR by PSBs

3939. DR. P.K. BIJU:

Will the Minister of FINANCE be pleased to state:

(a) the details of the funds allocated under Corporate Social Responsibility (CSR) by each Public Sector Bank (PSB) during the last four financial years bank, State/UT-wise; and

(b) the details of projects undertaken by PSBs under the CSR during the last four years along with the funds sanctioned for each projects, bank, State/UT-wise?

ANSWER

**Minister of State in the Ministry of Finance
(SHRI SHIV PRATAPSHUKLA)**

(a) and (b): As per Reserve Bank of India (RBI) inputs, PSBs are not covered by the Companies Act and hence the Corporate Social Responsibility (CSR) policy related policies of the Companies Act are not applicable to these banks. RBI has issued guidelines on Corporate Social Responsibility Sustainable Development and Non-Financial Reporting – Role of Banks. Bank-wise details of funds allocated for CSR during the last four financial years are at Annexure-I.

As per inputs regarding details of project undertaken, received from PSBs, the projects related to areas such as skill development, support to persons with disabilities, sanitation, sports development, rural development, natural calamity relief, environment and sustainable development, etc. Bank-wise details of the number of projects undertaken and the amount sanctioned are given in Annexure-II. As regards State / Union territory-wise funds sanctioned, it may be noted that CSR spending includes expenditure on activities that are not attributable to specific locations, e.g., Swachh Bharat Kosh, National Sports Development Fund, and therefore, it is not possible to apportion CSR expenditure State / Union Territory-wise. Further, it may be noted that since most of the projects are spread across the country multiple banks may be supporting a project pan-India and also expenditure towards contribution to national level funds like Swachh Bharat Kosh and National Sports Development Fund may support multiple projects, information in respect of which is not centrally maintained.
