ANSWER

MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI ANANTKUMAR HEGDE)

(a) to (c)   Under PMKVY 2016-20, accreditation, affiliation and continuous monitoring of the Training Centres (TC) are being done through a single window IT application SMART for imparting skill development training. As on 10.07.2018, about 7,213 TCs are operational under short term training of PMKVY 2016-20.

Ministry has been taking stern actions against fake/fraud agencies misusing the name of PMKVY by lodging FIR for preventing cheating of candidates. PMKVY empanelled training centres are monitored through various methodologies namely; self-audit reporting, call validations, surprise visits and monitoring through the Skills Development Management System (SDMS), SMART, AEBAS, social media platform, etc.

Under the scheme, PMKVY Monitoring Committee review and formulate framework on the critical cases related to monitoring issues of the stakeholders. Also, the Committee has formulated penalty grid (approved by Steering Committee for PMKVY) for taking action against erring / non compliant training centres / stakeholders. Based on the penalty grid, National Skill Development Corporation (NSDC), implementing agency of PMKVY under MSDE, has suspended training centers for noncompliance of PMKVY guidelines on multiple parameters and periodically publish the list on PMKVY official website.
