Chemicals and Pharmaceutical Industries

14\* SHRI SUNIL BALIRAM GAIKWAD

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

- (a) The details of chemicals and pharmaceutical industries set up/ functioning in the country including Maharashtra during the last three years and the current year.
- (b) The names of products along with the quantity produced/ manufactured by the said industries, State/UT-wise?

ANSWER

**MINISTER OF CHEMICALS & FERTILIZERS AND STATISTICS AND PROGRAMME IMPLEMENTATION**

**(SHRI D.V. SADANANDA GOWDA)**

(a) The chemical sector is almost de-licensed and de-regulated, except for a few hazardous chemicals. The units in small, medium and large scale sectors are being set up by entrepreneurs in the private sector, based on techno economic feasibility, after getting relevant environmental clearances from the concerned State/ Central Pollution Control Boards. The Department of Chemicals & Petrochemicals collects production data of major chemicals & petrochemicals from selected Chemical & Petrochemical Units under large and medium scale only. The list of functional Chemicals and Petrochemicals units, in large and medium scale category producing selected major chemicals, monitored by the Department of Chemicals & Petrochemicals, including the newly setup units, for the period 2015-16 till August 2018, is attached at Annexure-I.

No database of the Pharmaceutical industries set up/functioning in the country as well as the products manufactured by them is maintained by the Department of Pharmaceuticals.

(b) The production details of selected major Chemicals from the industries referred at (a) above, state/UT wise, is attached, at Annexure-II.

## Annexure-I
