ANSWER
THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS & SPORTS
{COL. RAJYAVARDHAN RATHORE (RETD.)}

(a) to (c) 'Sports' is a State subject and promotion of sports, creation and maintenance of Sports infrastructure, upgradation and renovation of existing sports facilities across the country including Maharashtra and West Bengal is primarily the responsibility of the State Governments. The Central Government complements / supplements the efforts of the States in this regard.

This Ministry has been implementing various sports promotional schemes for establishment of sports infrastructure in the entire country including the States of Maharashtra and West Bengal. However, no target is set in this regard as the schemes are demand driven / need based. Further a special Package for J&K of Rs.200 crore has been implemented by this Ministry under Prime Minister's Development Package (PMDP). One of the purposes of the package is enhancement of sports infrastructure in Jammu & Kashmir.

Project-wise details of funds sanctioned during the last three years and the current year State/UT-wise including Maharashtra and West Bengal is given at Annexure. Fresh funds are released only after settlement of the Utilisation Certificate (UC) of funds released earlier.

(d) & (e) No percentage has been prescribed for spending of CSR funds exclusively on sports. Spending of funds by Corporates from the funds allocated under CSR activities is decided by the companies in terms of the Companies Act, 2013 for the activities specified in Schedule VII of the Companies Act, 2013. As per the Schedule VII of the Companies Act, 2013, funds from CSR are to be utilized for sports activities in the country such as 'Training to promote rural sports, nationally recognized sports, Paralympics sports and Olympic sports'.

The Ministry does not maintain data about spending of the funds from CSR by companies on sports.

(f) Yes, Madam. Government has entered into Memorandum of Understanding (MoU) with several countries to promote and strengthen friendly relations and cooperation in the field of youth affairs and

sports. Under the provisions of these MoUs, cultural exchange programmes between many countries involving the youth are undertaken at regular intervals. These MoUs have led to enhanced co-operation in field of sports by way of implementation of several initiatives such as bilateral visits, skill development etc.
