

GOVERNMENT OF INDIA
MINISTRY OF AGRICULTURE AND FARMERS WELFARE
DEPARTMENT OF AGRICULTURE, COOPERATION AND FARMERS WELFARE

LOK SABHA
UNSTARRED QUESTION NO.187
TO BE ANSWERED ON THE 11TH DECEMBER, 2018

GREEN REVOLUTION IN EASTERN STATES

187. DR. KULAMANI SAMAL:

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) whether the Government is implementing "Bringing Green Revolution in Eastern India (BGREI)" in the Eastern States including Odisha with the aim to increase production of pulses;
- (b) if so, the details thereof along with the physical and financial performance of BGREI, since its implementation in 2010-11, State-wise;
- (c) whether farmers are not getting adequate price, incentive and subsidy State-wise for cultivation of pulses; and
- (d) if so, the details thereof and the steps taken by the Government in this regard?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI GAJENDRA SINGH SHEKHAWAT)

(a): In order to address the constraints limiting the productivity of "rice based cropping systems" in Eastern India, the programme of "Bringing Green Revolution to Eastern India (BGREI)" is being implemented in seven (7) States including Odisha. From the year 2015-16, under the activity of cropping system based demonstrations of rice, the pulses have been included as second crop after harvesting of rice, for which at least 30% of the fund out of total fund of demonstration is provided.

(b): State-wise and years-wise production of rice and allocation & release under BGREI from the year 2010-11 to 2018-19 are given at Annexure-I & II, respectively.

(c) to (d): Government of India announces Minimum Support Price (MSP) for specified agricultural produces on the basis of recommendations of the Commission for Agricultural Costs and Prices (CACP), the views of State Governments and Central Ministries and other factors considered important for fixation of support prices. The objective of the MSP mechanism is to provide a guarantee to the farmers to realize a reasonable and remunerative price for their produce.

Government has increased the MSPs for all notified Kharif & Rabi Crops including pulses and other commercial crops for the season 2018-19 with a return of atleast 50 percent over cost of production. This decision of the Government was a historic one as it redeemed the promise of fixing the MSPs at least at a level of 50 percent return over cost of production as announced in the Union Budget 2018-19.

Government of India is implementing umbrella scheme of “Pradhan Mantri Annadata Aay SanraksHan Abhiyan” (PM-AASHA), comprising Price Support Scheme (PSS), Price Deficiency Payment Scheme (PDPS) and Pilot of Private Procurement and Stockist Scheme (PPSS). Under this, States/UTs are offered to choose either of PSS and PDPS in a given procurement season with respect to particular oilseeds crop for the entire State. The pulses and copra are procured under PSS. Further, States have the option to roll out Private Procurement and Stockist Scheme (PPSS) on pilot basis in district/selected APMC (s) of district involving the participation of private stockist.
