Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) whether the Government has taken a decision to introduce new courses in Skill India Scheme;
- (b) if so, the details thereof;
- (c) whether the Government has taken any special initiative to develop new Skill Development Courses in economically backward areas; and
- (d) if so, the details thereof?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI ANANTKUMAR HEGDE)**

(a) to (d) Under Pradhan Mantri Kaushal Vikas Yojana, 2016-20 (PMKVY 2.0) the list of job-roles has been rationalised considering the changing needs of the skills required in the market and the performance of the previously existing job roles. Accordingly new job roles were included as per market demand and those where the placements have not been up to the mark were excluded. The new list also includes job roles which are National Apprenticeship Promotion Scheme (NAPS) scheme enabled for better exposure to the candidates and increased absorption with hands on experience in Industry. Details of revised job-roles are available in public domain at the link as below: <https://www.nsdcindia.org/sites/default/files/Revised%20applicable%20Job%20Roles%20for%20PMKVY%20FY%202018-20.pdf>. The rationalisation of job roles is also envisaged to enhance the employment rates in aspirational districts which rank poorly in important social indicators as the revised job-roles focus on industry demand and their aspirational value. Further, details of new trades introduced by Directorate General of Training (DGT) under Ministry of Skill Development and Entrepreneurship from year 2018-19 is at Annexure.
