ANSWER

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) & (b): Level Crossings (LCs) nos. 32 at km 37/0-1 between Tehsil Fatehpur and Mahmoodabad stations of Burhwal-Sitapur section on Mahmoodabad-Kursi-Lucknow Road route and 56 at km 62/5-6 between Biswan and Persendi station of Burhwal-Sitapur section on Biswan-Sindhauili Road route are the only two LCs. These LCs do not qualify for their replacement by Road Over Bridges (ROBs) on Cost-sharing basis as the traffic density of these LCs is less than one lakh Train Vehicle Unit (TVU). However, ROB at these locations can be constructed on deposit terms, if the State Government is ready to bear the complete cost of construction and maintenance subject to feasibility. No proposal in this regard has been received from State Government.
