

**GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
LOK SABHA
UNSTARRED QUESTION NO. : 2546
(To be answered on the 27th December 2018)**

INCIDENTS OF PLANE OVERSHOOTING RUNWAY

2546. **SHRIMATI VASANTHI M.**

Will the Minister of CIVIL AVIATION

नागर विमानन मंत्री

be pleased to state:-

- (a) whether the incidents of planes overshooting the runway has become a regular phenomenon in many airports in the country;
(b) if so, the total number of such incidents reported during the last two years;
(c) whether the Government has directed the airlines and the airport authorities to take appropriate action in the matter; and
(d) if so, the details thereof?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Jayant Sinha)

a)& b)

Runway overshooting by the airplanes operating in the country is not a regular phenomenon. However, during last 02 years a total of 07 cases of runway overshooting by airplanes occurred.

c)& d)

Based on the findings observed in the investigation report, following actions have been taken to avoid the the recurrence:

- Safety recommendations emanating from the investigation reports are followed up for implementation with the concerned agencies so as to prevent recurrence of similar incident in the future.
- Accident/incident data is analyzed on yearly basis and based on the analysis, important observations/findings are shared with operators to avoid the recurrence of the accidents/incidents.
- As per the annual surveillance program, audit of the operators is carried out. Findings of audit report are followed up with the operator for compliance. The compliance of the action taken by the operator is further verified during the next audit.
