

**GOVERNMENT OF INDIA
MINISTRY OF AYURVEDA, YOGA & NATUROPATHY,
UNANI, SIDDHA AND HOMOEOPATHY
(AYUSH)**

**LOK SABHA
UNSTARRED QUESTION NO.2787
TO BE ANSWERED ON 28TH DECEMBER, 2018**

UNANI CENTRES

**2787. SHRI DHANANJAY MAHADIK:
SHRI P.R. SUNDARAM:
DR. J. JAYAVARDHAN:
DR. HEENA VIJAYKUMAR GAVIT:
SHRI MOHITE PATIL VIJAYSINH SHANKARRAO:
SHRIMATI SUPRIYA SULE:**

Will the Minister of **AYURVEDA, YOGA AND NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY (AYUSH)** be pleased to state:

- (a) the number of Unani Centres functioning in the country under the Ministry, State/UT-wise and location-wise along with the achievements made by these centres since their inception;
- (b) the estimated number of patients getting treatment in these centres and the total amount of funds spent during each of the last three years and the current year, State/UT-wise;
- (c) whether the Government has received proposals from various States including Maharashtra and Tamil Nadu for opening of Unani medicine centres;
- (d) if so, the details thereof along with the action taken/proposed to be taken by the Government thereon during each of the last three years and the current year, State/UT-wise;
- (e) whether the Government has not been able to popularize Unani system of medicine in the country compared to other traditional medicines; and
- (f) if so, the details thereof and the reasons therefor along with the steps being taken by the Government to promote and expand the network of Unani system of medicine?

**ANSWER
THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(SHRI SHRIPAD YESSO NAIK)**

- (a): Under the Ministry of AYUSH, there is one National Institute namely National Institute of Unani Medicine (NIUM), Bangalore (Karnataka) as far as CCRUM is concerned, a total of 23 institutes /Units are functioning in different parts of the country. State / UT-wise and location wise, details of the centres are attached at **Annexure – I**. The achievement in various programmes of the council is given in **Annexure – II**.

Contd.....

(b): An average number of 5 lakhs patients have been treated annually in GOPD / Special OPD in these centers. In addition to it, about 2 lakhs patients have also been treated in integration of Unani medicine in NPCDCS and Swasthya Rakshan / Parikshan programme of the Council annually. The details of the expenditure during each of the last three years and the current year are given in **Annexure – III**. The information in respect of NIUM, Bangalore is given in **Annexure-IV**.

(c) & (d): Ministry has not received any proposal for opening of the Unani medicine Center from the States of Maharashtra and Tamil Nadu. However, the Council has started one Extension Research Centre at Pattiam Gram Panchayat, Kannur, Kerala during current financial year.

Under AYUSH Services component of Centrally Sponsored Scheme National AYUSH Mission (NAM), there is provision of setting up of upto 50 bedded integrated AYUSH Hospitals which may include Unani system also. However, there is no separate provision for setting up of new Unani Hospital under NAM. The status of 50 bedded integrated AYUSH Hospital approved under National AYUSH Mission (NAM) during the last three years and the current year, State/UT-wise; is furnished at **Annexure-V**

(e) & (f): Ministry is continuously taking various initiatives for popularizing the Unani system of medicine in the country by different methods e.g. providing treatment through General OPD, RCH OPD, Geriatric OPD, NCD Clinic etc. conducted by 19 Clinical Institutes / Units of the Research Council. The Council is also popularizing Unani system of medicine through Arogyas, Health Melas, Health Camps, Seminars, Conferences, workshops, Exhibitions and Annual Unani day etc., and also through Mobile Healthcare programme and School Health programme. Two specialized programmes namely, Integration of Unani Medicine in NPCDCS and Swasthya Rakshan / Parikshan Programme are also playing important role in popularizing the Unani system of medicine.

Ministry of AYUSH is implementing Centrally Sponsored Scheme of National AYUSH Mission (NAM) in the country for promotion and development of AYUSH system including Unani system. State/UT Governments may avail eligible financial assistance by projecting the same through State Annual Action Plan (SAAP) as per NAM guideline.

The Mission *inter-alia* makes provision for the following:-

(i) Co-location of AYUSH facilities at Primary Health Centers (PHCs), Community Health Centers (CHCs) and Districts Hospitals (DHs) including Unani.

(ii) Up gradation of exclusive State Government AYUSH Hospitals and Dispensaries including Unani.

(iii) Setting up of up to 50 bedded integrated AYUSH Hospital including Unani.

(iv) Upgradation of State Government Under-Graduate and post-Graduate Educational Institutions including Unani.

(v) Setting up of new State Government AYUSH Educational Institutions including Unani in the State where it is not available.

**Major Achievements of Central Council for Research in Unani Medicine
(Since inception 1979 to till date)**

Clinical Research Programme

Pre-clinical studies

- Single/compounds Unani drugs studied for their Pharmacological action and safety evaluation- **150**
- Number of research paper published on the completed on pre-clinical studies establishing the safety of Unani formulations in the prescribed dose – 40.

Clinical studies

- Clinical studies completed on new Drugs (UNIM) 106 studies in 40 diseases
- Ongoing Clinical validation studies on Pharmacopoeial drugs – 63 studies on 67 drugs
- Completed Clinical validation studies on Pharmacopoeial drugs – 22 studies on 36 drugs
- Developed safe and cost effective Unani treatments for diseases such as; **vitiligo, eczema, psoriasis, bronchial asthma, rheumatoid arthritis, sinusitis, infective hepatitis** etc.
- Conducting Multi-centric randomized controlled trials on three diseases viz., Diabetes mellitus, Essential hypertension and Vitiligo.
- Validating the efficacy of different regimenal therapies such as Hijamat (Cupping) and Taleeq (Leeching).
- Collaborative studies on cervical erosion with Institute of Cytology and Preventive Oncology (ICPO), Noida (ICMR) and Pulmonary Tuberculosis with National Institute of Research on Tuberculosis (NIRT), Chennai ICMR initiated.
- Completed seven IMR projects whereas ten projects are in progress.

Research on Fundamental

- Completed three projects on fundamental research and six projects are in progress.

Drug Standardization Research Programme

- Developed pharmacopoeial standards for 298 single drugs and standard operating procedure (SOPs) for method of manufactures of 150 compound formulations.
- Published Unani Pharmacopoeia of India part-I (single drugs) in six volumes and Unani Pharmacopoeia of India in part-II (compound formulations) in three volumes.
- Undertaken chemical analysis and publication of 113 Unani medicinal plants for isolation and identification of active compounds. Fifty new active compounds identified and published in National/International journals.
- Redesigning / modification in the dosage form of **12** Unani drugs completed.
- Shelf life studies continued on four drugs.
- Revision of six volumes of National Formulary of Unani Medicine (NFUM) is in progress.

- Revision of Six volumes Unani Pharmacopoeia of India part - I in progress.
- Research papers published in the scientific journals – 80.

Survey and Cultivation of Medicinal Plants Programme

- Ethno-Botanical surveys conducted in different forest zones in 14 states in India.
- Collected over 1,04,568 plants specimens from different forest areas comprising of 1,750 species.
- Maintained over 90,504 herbarium sheets.
- Samples of authentic raw drugs collected and maintained in the Museum: 1068.
- Medicinal folk claims collected from different tribal pockets: 16261.
- Herbarium sheets have been digitized : 700
- Conducted experimental and field scale cultivation of 30 important Unani medicinal plants species at the herb gardens of the Council's Institutes.
- Research papers published in the scientific journals – 203.
- Published 19 Monographs / Books on medicinal flora / folklore claims.

Literary Research Programme

- Published translation of **25** important classical books/manuscripts in **60 volumes** in different languages.
- Reprinted 73 out of print rare books.
- Compiled **25** books/brochures/leaflets on Unani Medicine and medicinal plants as IEC material and other related topics in English, Urdu, Hindi and other regional languages.
- Developed a database of Unani therapeutics from classical Unani books/manuscripts.
- Conducted survey of Unani manuscripts in different libraries in India and prepared catalogue of 4000 books.
- A document on Unani Standard Terminology published.
- A dictionary of names of Unani drugs published.
- Compiled standard treatment guidelines of Unani Medicine and published: 2 volumes.
- Compilation of books on different topics of Unani medicine – 11
- Updating AYUSH portal (Unani contents) continued.
- Publication of Urdu journal (Jahan-e-Tib) continued.
- No. of research paper published on the literary research – 70.
- Development of National Unani Morbidity codes (NUMC –V.1.0)

Collaboration / MOU with other scientific organization

- The Council signed Memorandum of Understanding for collaborative research with other scientific organizations including the following.
- CSIR for development of bioactive molecules in classical Unani formulations.
- ICMR for collaborative studies in Malaria, Filariasis and Kala Azar, Cervical erosion and Pulmonary Tuberculosis and Human Resource Development.
- NRDC, New Delhi for IPR and commercial exploitation of drugs.
- Valabh Bhai Patel Chest Institute, Delhi for collaborative study in Bronchial asthma.
- Lady Harding Medical College, New Delhi for collaborative studies in Infective hepatitis.
- All India Institute of Medical Sciences, New Delhi for collaborative studies in the areas of Obesity, Psoriasis and Vitiligo.
- Deccan Medical College, Hyderabad for collaborative studies in the areas of viral hepatitis and duodenal ulcer.

- K.G. Medical University on Infective hepatitis.
- Regional Research Laboratory, Srinagar for chemical studies on some tribal plants of Kashmir valley.
- Jamia Hamdard, New Delhi for collaborative clinical studies
- UDDAN – A NGO for study on Autism.
- Jawaharlal Nehru Medical College, AMU, Aligarh on obesity.
- A.K. Tibbia College, AMU, Aligarh on drugs development (Saidla).
- NIPER, Hyderabad for Pre-Clinical studies

Research Oriented Extension Health Services

- The council is providing Unani treatment facilities to the patients at the General OPD of the Institute / Units, through mobile OPDs at the door steps of the patients in the rural areas / urban slums / and tribal pockets. Annually over 5 lakh patients are benefited. Health awareness is also created among the masses through IEC activities in the adopted pockets.

IEC programme

- Organized **02** International Conferences/ seminar on Unani medicine and over 50 national seminars and 62 workshops in different subject / disciplines.
- Over 1450 Research Papers were presented by the Council's researchers in different seminars/ conferences.
- Over six hundred and fifty research papers published in the National / Internationals peer reviewed indexed scientific Journals.
- Published **450**, monographs, books, brochures, leaflets, etc.
- Produced, video films, spots, audio and video, Radio Talk, CDs on Unani medicine different diseases and Unani Medicinal Plants in English, Hindi, and other regional languages.
- Council's publishes bimonthly Newsletter, quarterly Scientific Journal 'Hippocratic Journal of Unani Medicine' and Quarterly Urdu Journal 'Jahan-e-Tib.
- Participated in all Arogyas organized by the Ministry of AYUSH.
- Organized /participated in over 400 Health Melas/Health Expositions in different parts of India and abroad with a view to popularize the Unani system of medicine.

AYUSH Research Portal

- Updating of Unani contents on AYUSH research portal continued.

Participation in the Swasthya Rakshan/ Parikshan Programme

- The Council is participating in the Swasthya Rakshan / Parikshan programme through its 12 centres functioning in different parts of the country. So far total 1,97,240 patients were registered.

Participation in the NPCDCS programme

- The programme is continued at one district hospital, 17 CHCs and 54 PHCs in Lakhimpur Khiri district Uttar Pradesh through the Central Research Institute of Unani Medicine (CRIUM), Lucknow. So far 3,47,282 patients were registered.

Starting of M.D. & Ph.D. programme in Unani Medicine

- Continued MD programme in Unani Medicine at CRIUM, Hyderabad and RRIUM, Srinagar in two subjects viz. Moalijat (Medicine) and Ilmul-advia (Pharmacology) seven seats in each subjects at each center.
- Continued PhD programme in two subjects viz, Moalijat (Medicine) and Ilmul-advia (Pharmacology) collaboration with Jamia Millia Islamia, New Delhi. Three seats in each of the above subjects. Admission for current academic session completed.

Intellectual Property Right (IPR)

- A total no. of 17 patents has been granted by the Indian Patent Office (IPO) to the Council for innovative research work.

International Cooperation

- Unani Chair at University of Western Cape, Cape Town, South Africa under an MoU
- MoU with Hamdard University, Bangladesh for establishment of Unani Chair
- MoU with Tajikistan for Research and Development of Unani Medicine
