ANSWER

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(SHRI SHRIPAD YESSO NAIK)**

(a): Yes, Ministry of AYUSH Observed the First 'Naturopathy Day' on 18th November, 2018. Two of the autonomous bodies of the Ministry, namely Central Council for Research in Yoga & Naturopathy (CCRYN), New Delhi and National Institute of Naturopathy (NIN), Pune took lead roles in this observance. The Naturopathy Day was observed by organising lectures, talks, walks, run and exhibitions in different parts of the country.

(b) & (c): The Government does not have any proposal to build naturopathy buildings. However, there is a proposal to set up an All India Institute of Ayurveda, Yoga and Naturopathy in Goa. This institute is envisaged as a centre for medical services, research and education in Ayurveda, Yoga and Naturopathy. The foundation stone for the same was laid on 13th November, 2018.

(d): Health is a State subject, and hence taking measures for large scale promotion of naturopathy falls within the purview of the concerned State Governments.

However, Ministry of AYUSH has also taken steps in this matter under its Autonomous Body called Central Council for Research in Yoga & Naturopathy (CCRYN), New Delhi. This institution has set up various OPDs and Wellness Centres of Yoga & Naturopathy in various Govt. Hospitals/ institutions in different location in India. The details of OPDs are **annexed**.
